

11th March 2024

Dear Parent, Carers and Students,

As you will remember we have been working through the tender process for our school uniform providers and have now come to the end of that process. This was a very rigorous process, starting with parental feedback and involving our students as part of the discussions on the various uniform samples provided to us.

As a result of this we will be moving to a new provider, SchoolShop. Their website is www.schoolshop.co.uk. They are a completely online service, and you will find their welcome letter and all information alongside my letter. We are confident that this new service, directly to you and with the ability to order on-line 24/7 will support parents in accessing new uniform more quickly and at your convenience.

We will be moving to SchoolShop as our sole provider in term 5, but I am aware that our current provider TFS are running down their stock and some things will be unavailable from them. As you will see the prices for items from SchoolShop are very competitive and in most cases families should see a reduction in prices, which I hope will be welcomed.

The staff at SchoolShop are very supportive and will be able to assist with any sizing questions. There is no change to the uniform at the school and so all items provided will look the same as is currently offered.

If you have any questions, please do not hesitate to contact us at enquiries@wgsg.co.uk

Kind regards

Mrs Lawson
