

AVAILABLE FOR YEAR 13 CANDIDATES ONLY

If you have not achieved the necessary grades for your chosen university place/apprenticeship and you think that your examination papers were not marked correctly and accurately, you can pay a fee to have them reviewed on a priority basis. If a priority review is requested, you will receive the result of the review in time to inform the university/college well before the start of the term. The deadline for completion is within 15 calendar days of the Awarding Body receiving the request.

N.B. Before making your final decision about requesting a review you must read and sign the candidate consent form entitled “CANDIDATE CONSENT FORM” and enclose it with your completed form. No application for a script review will be processed without the signed consent form being returned.

This form and the Candidate Consent form must be **completed in full** and returned with full payment to:
Mrs Bassett by 3.30pm on Wednesday 21st August 2024 at the latest.

Requests received after this time CANNOT be sent to the examination boards.
