

## REQUEST FOR PRIORITY ACCESS TO SCRIPT

To help you decide if a review is needed you can pay a fee to have a copy of your examination script so you can see the marking before requesting the non-priority review. It is not a re-marking of your script, but a review of the original marking to ensure that the agreed mark scheme has been applied correctly.

If you decide to request a copy of the script, you must complete and return this form to **Mrs Bassett** by:

**A Level and AS scripts - 3.30pm on Tuesday 27<sup>th</sup> August 2024**

N.B. You must request a copy for each individual paper/unit separately.
